David Callau Gené

BY HYPOCRITE (HTTP://WWW.HYPOCRITEDESIGN.COM/AUTHOR/HYPOCRITE) FRIDAY, JANUARY 3, 2014

An interview with David Callau Gené an artist primarily in paint but who uses any medium ready to hand. He sees art as a spiritual calling, that his whole life is for the purpose of creation, bringing ever evolving messages to an audience. During this interview, right after his 40th birthday, he reflects on his life and the journey that brought him here, evoking his notions of the creative process and the passion he has for his lived art.
